Life's duality lies within the rose...

The red petal

The green stem

The sharp sting of the thorn

The sweet smell of the flower

Life is pain and raw like the thorns and stem

Life is joy and bright like the smell and colour of the bloom

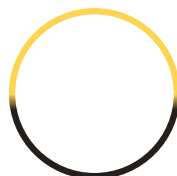

One is not fully known without the other..

- Ben Williams

Meet Ben Williams, West Australian Fine Art Photographer, who draws inspiration from the colours and shapes of land, sea & sky.

Ben's new body of work "Duality" explores the beautiful tension within the dance of life. Light vs dark, colour vs monochrome, life vs death. You can't fully appreciate one without the other.
