The sun sets today, the sun will rise tomorrow  
A new day, a new tomorrow  
A new hope, no more sorrow  
The sun sets, the sun rises  
Life choices we all have.  
Resilience, gratitude, perspective; it's the way forward.  
For a better day, a better tomorrow  
The sun sets, the sun rises.

- Ben Williams

Meet Ben Williams, West Australian Fine Art Photographer, who draws inspiration from the colours and shapes of land, sea & sky.

Ben's new body of work "Rise" was conceived from personal experience. Each image is a memento that the sun will set, darkness will settle in, but the light will rise again; bringing with it an original day of fresh hope and opportunity.
